

Programme Committees Economics and Econometrics

Information summary	
Subject	Saving costs on tutorial education – response to comments
To be discussed in meeting	June / per e-mail
From Department	ESE Programme Management
Date	24 June 2025

Context
Thank you for your comments and suggestions on our proposal to save costs on tutorial education. We understand that the proposal has led to concerns. In the attached document “Response comments PC's - saving costs tutorials” we have answered your questions and addressed your concerns. We hope that our clarification will give you more trust in the project. We have also made some small changes in the proposal itself, these are highlighted in yellow.

Short summary
See “Response comments PC's - saving costs tutorials”.

Requested action
We would like to ask you to determine whether our reaction has sufficiently addressed your concerns. If yes, we would like to ask your approval of the proposal. We would appreciate it if you can provide your reaction latest Friday 18 July.

Financial impact
See attached proposal.

Next steps
We will plan meetings with all the Bachelor-1 and -2 coordinators to discuss if and which options to save costs on tutorial education are feasible for their course(s). In the new HOKA (BOA) plans we will include that TA costs for all the courses that participate in the International Classroom project will be funded by HOKA (BOA). These new plans will, naturally, also be discussed with the participation bodies.

Communication
