Dear members of the University Council,

Thank you for your letter of February 7<sup>th</sup>, 2024 with your consent on the additional budget of the Convergence 2024-2028.

In your letter you address to the concerns you expressed during the Consultation Meeting. These concerns were also mentioned in the advisory memo of November 2023, written by CPC. We will keep these concerns into account in any further steps that we will take and into the shaping of the new vision for the School of Convergence.

At this moment, a vision on School of Convergence is in a phase of development, but there are no concrete plans. When this new vision is available, we will share it with the University Council for advice and we will include a budget plan for this, as you asked.

We hope to have informed you sufficiently,

The Executive Board of Erasmus University Rotterdam,

dr. E.M.A. van Schoten RA  
Vice-president
