Dear members of the University Council, dear Hans,

First of all, we want to thank you for sharing your perspective regarding the 'Student Accommodation Agreement 2020-2025. For many years our Housing department from Real Estate & Facilities is in close touch with members of the University council, lately more specific regarding the Rotterdams Actieplan.

We will include the feedback of UC in our search for more affordable accommodation at the campus, but also in the periphery of the University. Furthermore, we will discuss your vision of the different locations proposed in the RAP with the municipality and housing corporations.

If any questions regarding housing would arise, please do not hesitate to contact Raphaël Boegheim - Manager Student Housing and Martine Wierenga – Head of International Office.

On behalf of the Executive Board,

dr. E.M.A. van Schoten
