Dear members of the University Council,

Herewith you receive the delayed response to your consent on the HeQa-budget plans 2022. We would like to take the opportunity to thank you again with a formal letter. In your letter, you mention two points of concern which I will address in this letter.

As we discussed, we have revised procedures for the budgets of 2023 and will further enhance the cycle to present the budgets of 2024 in the November cycle.

Second, you mention that the budgets do not contain the contrast between the original estimation of the budget and the current estimate that is being presented. The procedure has been adjusted accordingly.

The Executive Board of Erasmus University Rotterdam,

Prof.dr. A.L. Bredenoord
Rector Magnificus
