

WRITTEN WARNING FORMAT for an Administrator

Article 7.57h(2) of the Dutch Higher Education and Research Act (WHW)
Article 3.1 of the EUR Order Regulations

Dear [name of student],

On [date], it was established that you are infringing the rules of Erasmus University Rotterdam (EUR); more specifically, you are failing to comply with:

- [Specify the conduct or statements and which provisions are being infringed]
- ...

You were given the opportunity to present your views on this. You [include "have" or "have not"] made use of that opportunity. This [include "formed part" or "did not form part"] of our decision to ask the Executive Board to deny you access to EUR buildings, grounds and facilities with final effect and to terminate your enrolment if you do not cease this or similar conduct. In that case, more importance will be attached to a safe teaching and study climate than to your interest in completing the study programme at EUR. This measure is based on Article 7.57h(2) of the Dutch Higher Education and Research Act.

[Optional: You are hereby suspended for twenty working days in the interest of [give reason, e.g. restoring peace on the campus]. This suspension may be extended by the same period.]

The Executive Board,

on its behalf,

The dean of the Faculty....

A copy of this decision has been sent to: the Executive Board/Legal Affairs, Integrated Security and Real Estate & Facilities.

Do you disagree with the decision?

You may lodge a notice of objection. You must do so within six weeks of the date on which this decision was sent. Send the notice of objection to:

The Executive Board of Erasmus University Rotterdam
Attn: the Student Objection Advisory Committee
PO Box 1738 / 3000 DR Rotterdam

You may also lodge your notice of objection by emailing it to: gas@eur.nl

Make sure the notice of objection contains:

- your name, address and signature;
- your telephone number and email address;
- the date on which you are making your objection;
- a copy of this decision;
- the reason(s) for your objection.
