Context / Reason
The executive board would like to inform the UC on the national discussion about the BSA (between UNL, VH, studentunions and OCW).

Jurisdiction UC / Question to the UC
The UC has the right of information.

Short Summary
There is national discussion and lobbying taking place regarding the BSA. We would like to inform you about the discussion and process on the BSA. We would like to discuss follow-up steps and explore options 1 (institutions themselves - in consultation with the participation council - fill in a standard for 'evidently insufficient study progress') and 2 (institutions are free to set a lower standard or have no standard at all) the OCW brought forward.

Follow-up process
We would like to hear the insights and opinions of the UC regarding the follow-up steps and the exploration of options 1 and 2.

Specifics
