Dear members of the University Council,

On 30 November 2020 we received your positive advice on the proposed changes to the BBR-EUR, for which we like to thank you.

Before we received your positive advice, we received some important questions about, among others, the immediate dismissal, the processing of personal data and the reservations thereof. All questions have been discussed, answered and handled.

If you have any further suggestions or questions, please feel free to contact us.

Yours sincerely,

The Executive Board of Erasmus University Rotterdam,

Prof. dr. H. Brinksma
President
