## Theatre

Using cases submitted by EUR teachers and students, theatre group PlayBack will present what these groups encounter in their communication with each other. Together with the audience, they seek advice.

## Workshops

Attend one of seven sessions covering topics like design thinking, future studies, AI, curriculum innovation, and more. Explore all the topics on the website.

## Inspiration fair

After the sessions, you can enjoy a lunch entirely in the theme 'Stay curious!'. Network with other attendees and get inspired by the innovative projects presented at the inspiration fair. Find out more via the link below.

A magnifying glass with a dark teal handle and frame. The lens shows a stylized network diagram with nodes and connecting lines over a light blue and green background. The text "Stay curious!" is overlaid on the diagram.
