Context / Reason
The University Council has already given a positive advice on the method of selection for the medical education in June 2023. This was part of a bigger agenda item with all the selection methods and capacity of all the studies selecting students. Now a Regulation has been drawn up specific for the medicine-study that clarifies and puts all the information in one place. The Regulation complies with article 7.53, paragraph 3 of the Higher Education and Scientific Research Act that requires the executive board to establish regulations for the selection criteria and procedures.

Jurisdiction UC / Question to the UC
Based on article 9.33a, 2d WHW The University Council has the right of advice on the Regulations that the board establishes for the selection criteria and the selection procedure.
