Context / Reason
EUR aims to achieve a sustainable mobility policy. The project team (consisting of HR & REF members) has asked the EB to increase the parking fee for employees by € 0.50 (20%) as of January 1, 2024, thus to € 3 per day (Woudestein campus). The scope of this proposal was limited to employees. Besides an employee's rate a number of parking rates exist (see Appendix 1).

Jurisdiction UC / Question to the UC
Right to advice

Short Summary
The current proposal to the EB is to also encourage these other target groups to making more sustainable choices, by increasing the parking rates for these target audiences. These target groups include amongst others: students, (external) tenants, student housing residents and visitors.

Follow-up process
Communication to all stakeholders & publication on website
