

EdUconnect on May 30.

EdUconnect is where the EUR community comes together to share knowledge and inspire each other. Where we translate ideas into opportunities within education. Join the discussion about the developments within education together with teachers, students and anyone interested in innovation in education.

Date: Thursday, May 30

Time indication: 09:30-13:00 incl. lunch.

Location: Forum Hall (3rd floor of the Van der Goot building)

Around the theme of this event '**Stay Curious**' we will start with a theater group in which 3 actors will discuss the challenges around communication between teacher and student based on cases collected from teachers and students at the EUR. Then you can join one of the following workshops:

- Design Thinking and EdTech – experience the Minor “Living Education Lab” | [Kris Stabel \(CLI/Risbo\)](#)
- Embrace the Futures | [dr. Étienne Augé \(ESHCC\)](#)
- Flipping the classroom: an investment that pays off | [dr. Peter Marks & dr. Pieter Tuytens \(ESSB\)](#)
- Establishing ILO achievement without a thesis | [prof. dr. Bas Donkers & dr. Pieter Schoonees \(ESE\)](#)
- How to change your curriculum in a year | [Jamie van der Klaauw & Marie van der Gaag \(ESPhil\)](#)
- Respectful Dialogues: Building Connections and Integrating AI for Enhanced Learning | [dr. Sonja Wendel & Bram Horstink \(ESE\)](#)
- Improving teachers’ experiences in online & blended education | [dr. Welmoed van Deen \(ESHPM\)](#)
