Short Summary
<p>Attached (Dutch version: annex 1, English version: annex 2) you will find the annual report 2019 of the Legal Protection department. The annual report is provided to the University Council as it has the right to information. The number of cases dealt with in 2019 did not differ significantly from the number of cases in 2018, 2017 and 2016. What did change is the introduction of a new subject: processing time (behandeltermijn). In 2019 Legal Protection focused on dealing with cases within the stipulated time limit. More information you can find in the explanatory memo (Dutch version: annex 3, English version: annex 4).</p>
