Dear members of the University Council,

Thank you for your letter of advice regarding the Admission Policy with capacity restriction for the master's programme in Medicine. We thank you for the fruitful discussion and your positive advice.

The changed admissions policy at the Medical faculty will be monitored closely, both internal and external. This means that we will ask the faculty for an evaluation of the admissions practices, for both Erasmus MC applicants as well as applicants from other universities. Also, we ask Erasmus MC to keep in touch with the other Dutch medical faculties, that face similar admissions challenges.

When such an evaluation is ready, we will inform the University Council. If any questions arise in the meantime, please feel free to share.

Yours Sincerely,

The Executive Board of Erasmus University Rotterdam,

Prof. dr. Rutger Engels
Rector Magnificus
