Context / Reason

Based on the experiences of the past three years, the EUR Buildings, Grounds and Facilities Order Regulations have been amended to better align with practice and case law. We hope to achieve even more effective and applicable regulations for the organization.

Jurisdiction UC / Question to the UC

Based on article 9.33 (1)(a) of the Dutch Higher Education and Research Act (WHW) the UC has the right of advice.

Short Summary

It is important to have a good legal basis in case the University has to act against order violations. A violation of the Order Regulations can be something small, like parking the bicycle in the right way, or something big, like removing a person in connection with stalking. Acting the right way is essential. The Erasmus Universiteit Rotterdam wants to offer a social and safe work and study environment for everyone.

Follow-up process

The EUR Order Regulations 2024 will replace the EUR Order Regulations 2020 and will be published on the website.
