Context / Reason
In December 2020 the Council did not consent to the plan of approach of the programme Wellbeing. It has been decided that members of the HEQA working group would voice the points of attention of the Council and would meet with the project team to make adjustments. Enclosed the plan Student Support Services and Lecturers. This is the first plan. Next meeting cycle, the next plan will be presented.

Jurisdiction UC / Question to the UC
Consent.

Short Summary
The plan details the way the chain of care for the wellbeing of students will be enhanced. In 2021 the programme of wellbeing will work at the enhancement of a shared vision on student wellbeing and building a community with representatives of the chain of support. The existing support structure will be realigned with the shared vision. The KPI have been reformulated since December 2020 and made more specific.

Follow-up process
After consent, the actions will be implemented in co creation with the HEQA working group.

Specifics
The current plan is a follow up on the plans that have been discussed in December 2020.
