Dear members of the University Council,

Thank you for your letter 38695 with your consent to the main elements of the HeQa budget. In your letter 38695 you mention that this consent excludes the budgetplan for ErasmusX.

As a follow-up, we shared an adjusted budgetplan for ErasmusX with you on Monday the 8th of January and these were discussed during the plenary meeting on the 9th of January and with the HeQa taskforce. In your letter 38699 we also received your consent on the Erasmus X budget.

In your letter, you also give advice regarding CLI and ErasmusX. Regarding your advice on CLI, we want to thank you for your input on the outcome measurements (KPIs). The current KPIs are in accordance with the HEQA plans that were submitted to the Ministry of Education in 2019. Your comment is part of an ongoing discussion and will be elaborated further in the HEQA working group together with Mirjam van der Woerdt.

Regarding your advice on ErasmusX and the Inclusive Education Project, we are planning some sessions where we will work on this in co-creation.

The Executive Board of Erasmus University Rotterdam,

Prof.dr. A.L. Bredenoord
Rector Magnificus
