Information summary

Subject	Project proposal strengthening the participation bodies
To be discussed in meeting	June / online
From Department	ESE Programme Management
Date	12 June 2025

Context

The EUR has made funds available to further strengthen the participation bodies. For ESE a maximum of €49.345 is available for the period 2025 - 2027. After receiving your input on the initial ideas for projects, we have now made a the final project proposal detailing how we would like to use these funds.

We would like to ask your approval of this project proposal.

Short summary

The funds will be spend on:

- Trainings for the participation body members and specifically the chair;
- Requesting internal or external advice;
- Increasing visibility among staff and students;
- Increasing cooperation within and among participation bodies;
- Creation of an archive.

The costs mentioned in the attached proposal are all estimates. We are currently working on finding parties and getting quotes for the plans.

Requested action

Please provide your approval latest 7 July. We need to share the project proposal with Academic Affairs latest 31 July.

Financial impact

See above.

Next steps

The proposals of the Schools will be evaluated in August. Naturally, we hope that our project proposal will be accepted and we will receive the available funds.
